

# Do You Like to Build Models?

**Alamo Squadron**, a plastic modeling club located in San Antonio, invites you to join us at one of our upcoming meetings. Alamo Squadron is open to all modelers of all skill levels. Our mission is the *educational advancement of scale modeling skills*. Alamo Squadron is a chartered chapter of the International Plastic Modelers Society/USA. IPMS/USA has become a 5,000 member, all-volunteer organization dedicated to promoting our modeling hobby.

Alamo Squadron's **Club Meetings** are held monthly. Typically, each monthly meeting has a modeling contest, a "Works-In-Progress" segment in which members' current projects are displayed, and a featured demonstration by one of our members of a modeling technique or skill. The purpose of the monthly membership meeting is to have fun and share knowledge; club business matters are held to a minimum.

For the modeling novice, Alamo Squadron offers the **Adult Building Course**. The ABC is for new modelers, or those experienced modelers who wish to enhance and practice their skills. When ABC is in session, participants meet once a week for 2 hours.

Each year our club hosts **ModelFiesta**, one of the largest plastic modeling contests/events in the Southern United States. Currently the event attracts 100+ competitors, 650+ modeling entries, 125+ vendor tables. For one day in February, ModelFiesta is the largest hobby shop in Texas!
